Sweet potato salad

Vegetarian · Turkish ·

Ingredientes

• 1200g Sweet Potatoes

• 1 tablespoon Olive Oil

• 2 Shallots

• 4 sliced Spring Onions

• Bunch Chives

• 5 tablespoons Sherry vinegar

• 2 tablespoons Extra Virgin Olive Oil

• 2 tablespoons Honey

Modo de preparo

step 1

Heat oven to 200C/180C fan/gas 6. Toss the sweet potato chunks with the olive oil and some seasoning, and spread on a baking parchment-lined baking sheet. Roast for 30 - 35 mins until tender and golden. Cool at room temperature.

step 2

When just about cool whisk together all the dressing ingredients with a little more seasoning and gently toss through the potato chunks – use your hands to avoid breaking them up.
